

## Lesson 2 – Web Pages and Searching

### Section 1 – Determining if a web page is usable

Link 1 – Go to the following link and take the test

<http://library.albany.edu/usered/webeval/>

Watch for the 6 points of a web page:

1. Author
2. Audience
3. Scholarship
4. Bias
5. Currency
6. Links

Explain each one:

1. Author - \_\_\_\_\_
2. Audience - \_\_\_\_\_
3. Scholarship - \_\_\_\_\_
4. Bias - \_\_\_\_\_
5. Currency - \_\_\_\_\_
6. Links - \_\_\_\_\_

Where else could you look to find other supporting evidence or a second opinion? (2 points)
